Mrs E. Manley
Newark N.J.

Aug 26, 1943.

Dear Mrs Manley, - I have been sick since Aug 15. I received your letter, but could not answer it as Lee was with the club and had made some commitments.

This is my first visit to the office.

I was also working on a game I had talked over with Abe and others.

My idea was a game in Wash D.C. on Sept 9th between all the league clubs
four ^{players} off each team. The three farthest south

Wash, Balt, Phila To play Newark, Cubans
Black Yanks.

First 10% goes to go to lend a hand Home,
a home for unnamed Colored pregnant
mothers, a legitimate charity. Then the
park. Then expenses out and then split
six ways. That will help all the
clubs.

What do you think? Mr Buffuth is very
much in favor of it.

Dr Lona Wipple is in charge of it.

As regards Black Yanks game. It was
originally scheduled for Aug 24th in
Wash D.C. as we had played every other
club in Wash D.C..

For some reason it was not put in the
schedule. Sumner called my attention to
this at the E-W game.

Seiler seemed to think the reason why it was not in the schedule was because Luschner wanted to get 10% for booking a non league game. I had Se notify Ed and Luschner immediately after the E. W. game. That was before we played Newark on Aug 8th.

The Black York game will not make any difference. If you defeat Cubans a double header you are the winner. If you split even then you would not win regardless of B. Y. - Gray game.

I would not take this attitude if I were
you. Especially when we did not make
the Aug 7th double header league games on
account of the wipped condition of your
club.

Of course we will have to do some thing
if you win the second half.

I know nothing of a trip west by the
Grays in September.

I have called Tom about the Sept 9th all-
star game in Wash D.C., Could not get him
on the phone.

I think each club can make \$5000.00
if we go through with it.

Wise results of Newark-Cuban games too
me to Grand Hotel Chicago so we can
start to work. I think we have one
more league game on Sept 2 with Philly
Stars. However I am not certain, you can
check this with Ed. Yours Ann Pomeroy
